

# Meroogal Women's Arts Prize 2008

In September 2007 AOSC's proposal to the Historic Homes Trust to form a partnership for the 2008 Meroogal Women's Art Prize was accepted.

In collaboration with Meroogal, AOSC developed the theme for 2008: *Celebrating the everyday things women do.*

AOSC also participated in workshops for women who were intending to submit an entry.

A prize of \$500 was presented by AOSC to the work that best represented an occupational perspective. The recipient of the AOSC award was Bethany Thurtell from Bermagui for her work entitled, Circle of Life.
