This series of discipline specific learning seminars run parallel to assessment tasks and support the development of your academic research and writing.

**Week 1:** Preparing for academic study and assessment planning

**Week 2:** Effective reading & critical thinking in your discipline

**Week 3:** Academic writing structures

**Week 4:** What is an argument and how do I develop one?

**Week 5:** Sentencing / signposting / showcasing

**Week 6:** The art of referencing or how to weave the research into your argument

**Week 7:** Presenting with panache

**Week 8:** Reviewing the situation

**Week 9:** Focusing on exam techniques.

**Sign up for these seminars at the information desk of the Ray Cleary building, Shoalhaven Campus**
